Terms & Conditions

1. PROMOTION OVERVIEW

The Fast-Track Promotion (the "Promotion") is a limited-time incentive offered by Amare Europe to eligible existing Brand Partners. An eligible participant may earn a one-time cash award of €2,500 by achieving the Bronze, Silver and Gold rank in three consecutive calendar months, in that exact order, subject to these Terms & Conditions and verification by Amare.

2. PROMOTION ENTRY PERIOD

The Promotion opens on September 1, 2026. The first eligible Bronze milestone may be achieved in any calendar month from September 2026 through January 2027, inclusive. January 31, 2027 is the last date for a qualifying first Bronze rank, not the deadline for completing all three milestones. Participants who first achieve Bronze in January 2027 may complete Silver in February and Gold in March 2027.

3. ELIGIBILITY

The Promotion is intended exclusively for existing Amare Europe Brand Partners who had never achieved the Bronze rank or a higher rank. A Brand Partner who had reached Bronze or higher before the promotion started is not eligible, regardless of their later rank. Eligible participants must remain in good standing.

4. HOW TO QUALIFY

To qualify, an eligible Brand Partner must achieve (1) Bronze in the first qualifying calendar month; (2) Silver in the immediately following calendar month; and (3) Gold in the immediately following calendar month. The required progression is Bronze → Silver → Gold, one milestone per consecutive calendar month, without a skipped month. Rank qualification and volume must satisfy the applicable Compensation Plan. The Promotion imposes no additional qualified-leg requirement beyond any requirements applicable under the Compensation Plan.

Terms & Conditions

5. THREE-MONTH QUALIFICATION WINDOW

For this Promotion, references to "90 days" mean three (3) consecutive calendar months, not a rolling period of 90 days measured from the exact day Bronze is reached. The first month is the calendar month in which the participant first qualifies as Bronze, and the next two calendar months must qualify as Silver and Gold, respectively. Examples: Sep–Oct–Nov 2026; Oct–Nov–Dec 2026; Nov–Dec 2026–Jan 2027; Dec 2026–Jan–Feb 2027; or Jan–Feb–Mar 2027. Failure to achieve the required milestone in its specified month means that progression does not qualify for the award.

6. RANK, VOLUME AND ORDER VERIFICATION

No purchase is required to participate. Qualifying volume must come from genuine sales to end customers and from products purchased for personal consumption in reasonable quantities. Purchasing products solely to achieve a rank or to qualify for this Promotion is prohibited (Policy Manual §18 and §19.2). If qualifying volume is later cancelled, refunded or returned, including under the 14-day statutory withdrawal right or the 30-day satisfaction guarantee, and the remaining volume no longer meets the requirements, Amare may withhold the award or recover it after payment in accordance with Policy Manual §14.5.

7. ELIGIBLE EUROPEAN SALES VOLUME

Only eligible sales volume generated within Amare's 13 European markets (Austria, Belgium, Czech Republic, France, Germany, Hungary, Ireland, Luxembourg, the Netherlands, Romania, Spain, Switzerland and the United Kingdom) will count towards qualification for the Fast-Track Promotion. Sales and volumes generated outside these participating European markets will not be considered when determining rank advancements or qualification for the €2,500 bonus. All qualifying sales and volumes must comply with the Amare Compensation Plan, Policy Manual, and applicable Promotion Terms & Conditions.

8. THE REWARD AND PAYOUT

A participant who completes the entire verified three-month Bronze → Silver → Gold progression will earn one one-time €2,500 cash award under this Promotion. There is no separate payout for Bronze or Silver under this specific Promotion. Payment is made after the relevant third calendar month closes and all three milestones have been officially confirmed, according to Amare's applicable payment processes. The €2,500 is not guaranteed to participants who do not satisfy all requirements.

Terms & Conditions

9. INTERACTION WITH OTHER FAST-TRACK INCENTIVES

This is a distinct Promotion for existing Brand Partners, not the ordinary onboarding Fast-Track Programme for newly enrolled Brand Partners. If eligibility or rewards under this Promotion and another Fast-Track incentive overlap, the same Bronze → Silver → Gold qualification may not trigger two payouts. Under no circumstances will the same qualifying milestone progression be paid twice under overlapping Fast-Track offers. Amare will review any overlap against its official records and apply the relevant programme terms before authorising payment.

10. COMPLIANCE AND GOOD STANDING

Participation and qualification must arise from legitimate product sales and activity in compliance with the Brand Partner Agreement, Policy Manual, Compensation Plan and applicable law. Participants must remain in good standing through final qualification and payment. Fraudulent, artificial or non-compliant volumes or accounts may result in exclusion or reversal of the award, to the extent permitted by law.

11. PROMOTION ADMINISTRATION AND CHANGES

Amare may amend these Terms & Conditions only where required for legal, regulatory or technical reasons. Changes will be communicated through Amare's official channels at least 30 days before they take effect and will not adversely affect participants who have already achieved Bronze under this Promotion. Material changes will be communicated through Amare's official channels, subject to applicable law. Undefined terms have the meanings given in the current Amare Brand Partner Agreement, Policy Manual and Compensation Plan.

12. GENERAL

The award is personal to the eligible Brand Partner and is non-transferable. Applicable taxes or reporting obligations are governed by local law. If these Terms & Conditions are translated, the English version will prevail in case of inconsistency, to the extent permitted by applicable law. If a provision is invalid, other provisions remain effective to the extent permitted by law.
