Our **Dual Compression System** ensures that all 35% of the Unilevel Volume is paid out to the Rank Title that is qualified to receive payments on each level where volume is present. Plus, earn an additional 1% with our **Go Forward Infinity Bonus!**

7. Bonus Pools

Earn Bonus Pools at different ranks based on Amare Europe's revenue—up to 4% commissionable volume for the company.

1. First Order Bonus is calculated on a percentage of CV and is subject to change if CV is discounted for any reason.

2. Percentage is based on overall Personal Customer Volume (PCV) generated in a month. Personal Volume (PV) does not qualify as PCV; personal purchases are not paid in this bonus.

3, 4. Months do not have to be consecutive within the allotted time-period to achieve the bonus. You must have 100 PV to receive the bonus the month you qualify.

Subscribe & Save Rewards

Continuity is key:

More consistency = higher rewards!

When you (as a Brand Partner or a customer) order Amare products through the Subscribe & Save programme, you not only save money on these purchases (around 10% compared to one-off orders), but you also earn SSR points that you can redeem for free Amare products. The longer you take part, the more points you earn!

Duration	SSR points earned 1 point = €0.80 net (VAT excluded)
0–4 months	10% of net order value
5–8 months	15% of net order value
9–12 months	20% of net order value
13+ months	25% of net order value

You will receive 100% of every euro spent on shipping as SSR points. No SSR points are rewarded on VAT.

EXAMPLE Mary has placed regular S&S orders during 13 months and has reached the 25% level. She now places another S&S order with a value of €200 (net, VAT excluded), for which she receives 62.5 SSR points ($200 \times 25\% \times 1.25$).

These points can be redeemed for FREE Amare products.

Subscribe & Save Rewards

Qualify for SSR points by processing a Subscribe & Save (S&S) order each month with a **minimum net value of 40 euros**. Then all your orders within that calendar month will earn SSR points based on your current bracket (duration/percentage)!

You must have **enough SSR points** to redeem them for products. However, you can add other items to your basket whilst redeeming SSR points for free products. You can pay for these other products using any other available payment method.

For every 100 SSR points redeemed, a **redemption fee** of €8 (net, VAT excluded) will be charged.

Delivery charges apply to every order.

SSR points **expire 12 months after they have been added** to your points account. Similarly, your points balance and SSR activity will expire if no eligible S&S order is placed in a given month.

A **grace period** of up to one (1) calendar month per twelve (12) months applies.

Points are **non-transferable**.

Fast Track Programme: 30-day rule

Purpose

The purpose of the 30-Day Rank Qualification Rule is to support new Brand Partners in achieving their first rank advancement within a defined and structured onboarding period, while aligning rank calculations with a calendar-based system.

Definition

The 30-day qualification period begins on Day 1, which is the calendar date the individual becomes a Brand Partner.

Exception

The 30-day rank qualification period must remain within a two-month window and cannot extend into a third calendar month. If the 30-day count would normally cross into a third month, the qualification period will instead end on the final day of the second month.

For instance, if a Brand Partner enrolls on 31st May, their 30-day qualification period will end 30th June. The qualification will not roll into a third qualifying month.

Eligibility

Only Brand Partners enrolled on or after 1st April 2026, are eligible.

Fast Track Programme: examples

A.	April = 0 20 enrolments, no rank qualification	May = 1 No rank qualification	June = 2 No rank qualification	July = 3 ?	In July the Gold bonus can be earned, if at least the Gold rank is reached in July.
B.	April = 0 20 enrolments, no rank qualification	May = 1 No rank qualification	June = 2 	July = 3 ?	Despite the Gold qualification, the Silver bonus is earned in June. In July the Gold bonus can be earned, if at least the Gold rank is reached (again) in July.
C.	April = 0 20 enrolments, no rank qualification	May = 1  Reached before the 15th of the month (30-day rule)	June = 2 	July = 3 	0: No bonus in April 1: Bronze bonus in May thanks to the 30-day rule 2: No bonus in June, since no Silver qualification 3: No bonus in July, since no Gold qualification

Fast Track Programme: examples

When a Brand Partner reaches Bronze in their first enrolment month, the eligibility timeline for the following Fast-Start Bonuses shifts. Since the Bronze bonus was earned in Month 0, the Brand Partner is allowed:

- Month 1 or Month 2 to qualify for the Silver Fast-Start Bonus;
- Month 2 or Month 3 to qualify for the Gold Fast-Start Bonus.

This allows the Brand Partner to count the enrolment month while still maintaining a total of four commission months in the Fast-Start period.

D.	April = 0	May = 1	June = 2	July = 3	
					0: Bronze bonus in April 1: No Bronze bonus in May, since already received in April 2: Silver bonus in June 3: Gold bonus in July
	20 enrolments				
E.	April = 0	May = 1	June = 2	July = 3	
					0: Bronze bonus in April 1: Silver bonus in May 2: No bonus in June, since already received in May 3: Gold bonus in July
	10 enrolments				
F.	April = 0	May = 1	June = 2	July = 3	
					0: Bronze bonus in April 1: Silver bonus in May 2: Gold bonus in June 3: No bonus in July, since already received in June
	10 enrolments				

Fast Track Programme: examples

G.	April = 0	May = 1	June = 2	July = 3	
					0: Bronze bonus in April 1: Silver bonus in May 2: No bonus in June 3: Gold bonus in July
	5 enrolments				
H.	April = 0	May = 1	June = 2	July = 3	
			No rank qualification		0: Bronze bonus in April 1: Silver bonus in May 2: No bonus in June 3: Gold bonus in July
