TWO ROUTES, YOUR CHOICE

Every Partner starts with customers. Building a team is an option, not a requirement.

ROUTE 1

CUSTOMER FOCUS

Share products you love and look after a loyal customer base. No team needed.

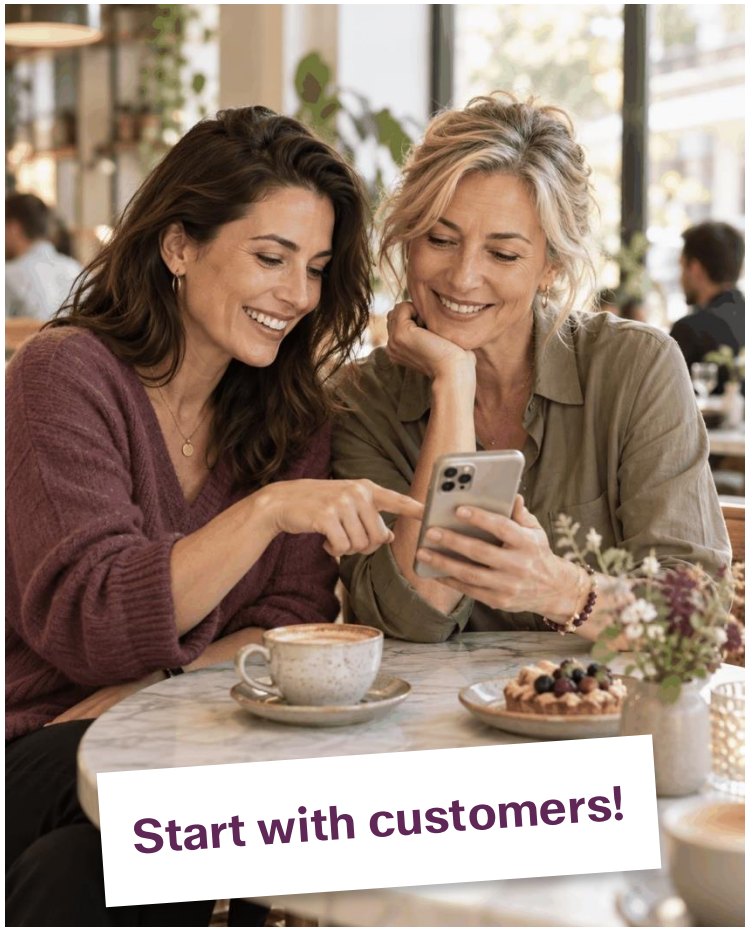

Paid on: First Order Bonus, Customer Bonus up to 38%, Focus on 5 and Power of 1.

ROUTE 2

TEAM BUILDING

Everything in Route 1, plus helping others build their own customer base.

Adds: Team Bonus, Unilevel, Fast Track, Rise & Reward and Bonus Pools.

Not every customer needs to become a Partner, and not every Partner needs to become a Leader. Both routes are valuable.

HOW A SALE GETS PAID

Example: a customer orders 100 CV. Every amount is calculated as CV × % × 0.8.

THE CUSTOMER'S FIRST ORDER

FIRST ORDER BONUS: 20%

100 CV × 20% × 0.8 = €16

€16 once

Paid weekly. Your sponsor and their sponsor also earn 10% and 5% on this order.

EVERY ORDER AFTER THAT

UNILEVEL 5% + CUSTOMER BONUS 5%

100 CV × 10% × 0.8 = €8

€8 / month

Paid every month, for as long as the customer keeps ordering (below 500 PCV).

Hypothetical example, not an income guarantee. CV values can differ per product and also depends on used promotions and promocodes. PCV = the volume of the customers you enrolled.

SUBSCRIBE & SAVE REWARDS

Consistency is key: more consistency = more rewards!

Order through Subscribe & Save and save around 10% compared with one-off orders. On top, you earn **SSR points** to redeem for **Amare products**. The longer you stay, the more you earn.

Months on S&S	SSR points earned
0–4 months	10% of net order value
5–8 months	15% of net order value
9–12 months	20% of net order value
13+ months	25% of net order value

1 point = €0.80 net

HOW IT WORKS

- **Qualify:** one S&S order of at least €40 net each month. Then all your orders that month earn points.
- **Points:** 1 Point = 0,80 € net, without VAT
- **Redeem:** €8 net fee per 100 points redeemed. Add other products and pay as usual.
- **Expiry:** points expire after 12 months, or when no eligible S&S order is placed in a month. One grace month per 12 months.
- Delivery charges apply to every order. Points are non-transferable.

EXAMPLE Mary has ordered on S&S for 13 months (25% level). Her next €200 net order earns **62.5 SSR points** (200 × 25% × 1.25). Shipping spend also earns points; VAT does not.

TERMS & CONDITIONS

Compensation Plan Europe

INTRODUCTION AND DEFINITIONS

The Amare Compensation Plan rewards Brand Partners for sharing Amare with others and introducing them to Amare Global. As Brand Partners advance through the ranks, income can increase, and so does the opportunity to mentor other Brand Partners and help them do the same. Brand Partners are not required to purchase products or be on Subscribe & Save to earn bonuses or commissions.

* Earnings presented are hypothetical and illustrate how the plan operates in an ideal scenario; they DO NOT represent or guarantee actual earnings. Income varies with the effort and time invested in the business. Building a strong customer base is crucial to success.

1. Vocabulary & Definitions

- **Account Status. Active:** a Brand Partner with 100 PV from personal orders for personal use or resale and/or Customer orders in the current or previous calendar month is commission active and may qualify to earn commissions. **Suspended:** commissions may be held, as set out in the Policies and Procedures. **Cancelled:** cancelled and terminated accounts no longer qualify to earn commissions.
- **Account Types. Brand Partner (BP):** an independent business owner who enrolls with Amare to share the products and may qualify for commissions and rewards. **Customer (C):** buys Amare products for personal use, cannot enroll others or build a downline, and does not earn commissions.
- **Upgrade:** a Customer may upgrade to a Brand Partner account by meeting the requirements in the Policies and Procedures.
- **Brand Partner Membership:** after enrolling under the Policies and Procedures and the Application Agreement Terms and Conditions, the Brand Partner receives an account and Amare ID number.
- **Bonus Periods. Weekly:** Monday 00:00 to Sunday 23:59:59 CET, paid by the following Friday. **Monthly:** the calendar month (CET), paid by the 15th of the following month. Deadlines may vary by one hour where Daylight Saving Time is not observed.
- **Clawback:** bonuses, commissions and rewards paid on an order may be recaptured if that order is returned.
- **Downline. Enrollment Downline Tree:** all personally enrolled Brand Partners and Customers, their enrollees, and so on to the end of the tree. **Placement Downline Tree:** Brand Partners as placed for mentorship; used for the Unilevel Bonus and OV.
- **Leg / Largest Leg:** a frontline Brand Partner and their team form a leg. The leg with the greatest OV in the Placement Downline Tree is the Largest Leg.
- **Enroller:** the Brand Partner who enrolls a new Brand Partner or Customer; the first upline in the Enrollment Downline Tree.
- **Placement:** the position of a Brand Partner under another for mentorship; it determines the Unilevel Bonus and OV.
- **Order / First Order:** an order is assigned PV and CV for qualification and payout. The First Order is the initial order completed by a new Brand Partner or Customer.
- **Price Types:** One-time Purchase Price, or Subscribe & Save Price for a recurring subscription (generates Subscribe & Save Volume).
- **Ranks. Career Rank:** the highest rank ever achieved; rank advancements are based on it. **Recognition Rank:** the highest rank in the last 12 months. **Paid as Rank:** the rank qualified and paid in a month, determined monthly.

*Earnings are hypothetically offered and are based on a perfect world scenario to show how the Compensation Plan works and are NOT earning representations or guarantees. Actual income require hard work and skills that the Brand Partner devotes to his/her business. A solid customer foundation is an integral part of the Brand Partner success. For more details, please check our Income Disclosure Statement at amare.com.

VOLUMES, BONUS PERIODS AND RANK QUALIFICATION

2. Volume Types

Volumes are assigned to an order to determine qualification. They are universal and not currency-dependent.

- **PV (Personal Volume):** the Brand Partner's own orders for personal use or resale, plus the orders of personally enrolled Customers.
- **CV (Commissionable Volume):** the value used to calculate commissions.
- **OV (Organisational Volume):** own PV plus the PV of all downline Brand Partners in the Placement Downline Tree.
- **VOLL (Volume Outside the Largest Leg):** OV outside the Largest Leg (Placement Downline Tree).
- **PCV (Personal Customer Volume):** the PV of the orders of personally enrolled Customers. Own orders do not count.
- **PTV (Personal Team Volume):** own PV plus the PV of personally enrolled Brand Partners (Enrollment Downline Tree).
- **SSV (Subscribe & Save Volume):** the volume of subscription purchases.

3. Bonus Periods

- **Weekly:** First Order Bonus.
- **Monthly:** First Order Bonus true-up, Customer Bonus, Focus on Five Bonus and Team Bonus, Brand Builder Bonus, Fast Track Rank Advancement Bonus, Unilevel Bonus, Rise & Reward and Road to Leader, Mentor, Leader and Global Ambassador Pools, Go Forward Infinity Bonus.

4. Rank Advancement & Qualifications

There are 14 ranks (see the rank qualification overview in this presentation). Rank qualifications are determined at the end of each monthly bonus period and qualify the Brand Partner for the bonuses of the month in which they are paid at that rank. To advance, all requirements of the new rank must be met within one monthly bonus period.

The Paid as Rank is reset at the start of each monthly bonus period. The Career Rank is kept and shows the highest rank ever achieved. Higher ranks give access to additional bonuses and commissions.

- **PV / OV:** the minimum PV and OV created during the monthly bonus period.
- **VOLL:** the minimum OV outside the Largest Leg during the bonus period (Placement Downline Tree).
- **Leg requirements:** the number of legs with a minimum Paid Rank (Enrollment Downline Tree). In Europe there are no leg requirements up to and including Platinum.
- **Customer sales route:** VOLL and leg requirements are waived when the rank's PCV threshold is met.
- **Bonus qualification:** at least 100 PV in the month to be paid any commissions.

* Ranks are not representative of the typical income, if any, a Brand Partner can or will earn. Success depends on personal effort, skill and time invested. Amare does not guarantee any level of income or success.

*Earnings are hypothetically offered and are based on a perfect world scenario to show how the Compensation Plan works and are NOT earning representations or guarantees. Actual income require hard work and skills that the Brand Partner devotes to his/her business. A solid customer foundation is an integral part of the Brand Partner success. FOCUS ON FIVE, TEAM BONUS AND BRAND BUILDER BONUS

7. Focus on Five Bonus

Earn **€120 every month** in which you have **five (5) active personally enrolled Customers** whose Subscribe & Save orders, new or recurring, total **at least 500 PCV** in that calendar month.

- Only Customer orders count. Orders of Brand Partners do not count toward this bonus.
- You must be Active with at least 100 PV in the month, and meet the PTV requirement of at least 600 PTV.
- One-time Purchase orders do not qualify. Orders cannot be combined in any way.
- Each Customer must have a unique email, shipping address and billing information.
- Orders from Customers who upgrade to Brand Partner do not count. Accounts placed by Amare in the Brand Partner's organisation do not count.

8. Focus on Five Team Bonus

Earn an additional **€120 every month** in which **two (2) personally enrolled Brand Partners** each qualify for their own Focus on Five Bonus in the same calendar month, with at least 1,300 PTV in total.

9. Brand Builder Bonus

Earn a **one-time €50 bonus** the first time you achieve the rank of **Brand Builder** (1,000 PCV or OV) and are paid as Brand Builder. The bonus is paid once per account.

10. Fast Track Rank Advancement Bonus

Paid monthly to newly enrolled Brand Partners who achieve the following ranks within the qualification periods. Eligibility: Brand Partners who enroll on or after 1 October 2026, in markets designated by Amare.

Rank	Bonus	Qualification period
Bronze	€150	Within 30 calendar days of enrollment, or within the first full calendar month after enrollment
Silver	€500	Within the enrollment month and the following two (2) calendar months
Gold	€1,850	Within the enrollment month and the following three (3) calendar months

- Day 1 is the enrollment date. The 30-day period stays within a two-month window; otherwise it ends on the last day of the second calendar month. Enrollment on the last day of a month counts as the enrollment month.
- The Brand Partner must be paid as the rank in the relevant month. Missing Bronze does not prevent Silver or Gold. Only one Fast Track bonus can be earned per commission month; a higher rank in a later eligible month can still qualify. Bonuses not achieved in time are forfeited and are not paid retroactively.
- Example: enrollment on 31 October 2026 → Bronze deadline 30 November, Silver 31 December 2026, Gold 31 January 2027.

UNILEVEL BONUS AND SUBSCRIBE & SAVE RANK REWARDS

11. Unilevel Bonus

The Unilevel Bonus is paid monthly on the repeat orders in the Placement Downline Tree. The monthly Paid Rank determines how many levels are paid (see Build Your Team). All requirements of the Paid Rank must be met in the monthly bonus period. Orders from markets outside this plan are not paid.

- **Dual Compression:** Standard Compression rolls volume past Brand Partners who are not Active with 100 PV (maximum ten pay levels). Dynamic Compression ensures that all 35% of the Unilevel volume is paid to the upline qualified for each level where volume is present.

12. Subscribe & Save Rank Reward Points

Rank-based Subscribe & Save Reward Points (SSR points) are awarded one time only, in the month of rank advancement, when the Brand Partner personally purchases an order containing 100 SSV. SSV from personally enrolled Customers does not count. 1 Point = 0,80 € net, without VAT

Rewards are earned once per account. All details are in the Rise & Reward Program Terms and Conditions.

14. Mentor, Leader & Global Ambassador Bonus Pools

The Bonus Pools are earned and paid each month and together represent 8% of the qualified CV of the markets in this plan: Mentor Pool 2%, Leader Pool 2%, Global Ambassador Pool 4%. Share value = qualified CV × pool % ÷ total shares of the month. Shares reset every month; Amare may set a minimum share value.

Pool	Base shares by rank	Extra share*

GO FORWARD INFINITY BONUS AND GENERAL CONDITIONS

15. Go Forward Infinity Bonus

When a Brand Partner reaches the Diamond ranks, they earn a **1% bonus** on the CV of all new legs, and the organisations that start from those legs, from the date the rank is achieved, paid to unlimited depth.

- Every account carries a Diamond code. If the Enroller is Diamond or above, the new Brand Partner or Customer receives the Enroller's Diamond code; otherwise they receive the same code as the Enroller.
- A Brand Partner who achieves Diamond in a bonus period has all new Brand Partners and Customers enrolled from the next month coded to them, even if the Diamond Paid Rank is not maintained. Example: Diamond in September → enrollments from October onwards are coded.
- Once assigned, a code does not change; Amare may make modifications at its sole discretion. Orders from countries not paid in this plan are excluded.

16. Additional Programmes and Disclaimers

- Amare continues to create programmes that are not listed in this Compensation Plan, such as the Fast-Track Promotion, Road to Headquarters and Path to Paradise. These programmes have their own Terms and Conditions, which add to these Compensation Plan Terms and Conditions.
- Volume generated under a different plan is first paid under the plan where it was generated. Volume from markets not in this plan is excluded. A volume factor applies to cross-border enrolling or sponsoring and affects all volume calculations, including OV, VOLL, PTV and all bonus payouts.
- Currency amounts are converted to local currency using the Bonus Rate used for commission calculation. The Bonus Rate is determined at Amare's sole discretion and may change without notice.
- Amare may provide translations of marketing, sales and policy materials. If the English version and a translation differ in wording, meaning or interpretation, the English version prevails.
- The Compensation Plan is governed by the applicable laws relevant to our industry, which supersede any provision in this document.
- Results, participation in incentive trips and other sales promotions are not typical or guaranteed and require hard work, skill and meeting specific sales targets. Most people do not qualify. By referring customers, Brand Partners can earn meaningful supplemental income based on actual product sales. Most people join to buy products for personal use and earn little or no income.
