

# AMARE ELECTRO™

Experience the smarter way to hydrate with a replenishing drink mix designed to support your active lifestyle. Powered by essential electrolytes and minerals, it features an ideal sodium-to-potassium ratio to help you rehydrate, recharge and restore the balance needed to quench thirst through workouts, workdays and weekends.\*

## Why You'll Love It

- Helps maintain proper hydration at a cellular level.\*
- Replenishes lost electrolytes to restore hydration and support muscle function.\*
- Available in two flavors

## How It Works

Provides a 2:1 ratio of sodium to potassium to help maintain electrolyte balance in the body, which helps you rehydrate faster than water alone during and after exercise.\*

## Why Are Electrolytes Important?

Electrolytes help regulate fluid balance in the body, which is crucial for proper hydration.\*
