

Featuring a powerful combination of electrolyte minerals and our proprietary NR-8™ polyphenol blend, Kyäni Electro helps replenish essential electrolytes and support nitric oxide regeneration. Top off your hydration, recharge, and conquer your day with delicious Kyäni Electro.\*

## Why You'll Love It

- Replenishes essential electrolytes\*
- Promotes balanced pH\*
- Supports proper muscle contraction, including the heart\*
- Supports nitric oxide production and regeneration\*

## How It Works

- Optimizes and replenishes the electrolytes within your body while supporting nitric oxide regeneration through our proprietary polyphenol nitro regeneration blend - NR-8™. \*
- Helps activate an essential enzyme called eNOS, which is responsible for the protection and regeneration of Nitric Oxide — which in turn delivers more oxygen, fuel, and other key nutrients to muscles during activity.\*

## What It Is

- **NR-8™ Proprietary Blend:** supports nitric oxide regeneration by ensuring Nitric Oxide Synthase (NOS) moves smoothly throughout the body\*
- **L-Citrulline Malate:** Aids in the long-term production of nitric oxide, aids in response to soreness and fatigue\*
- **Sodium & Potassium:** Provides a 2:1 ratio of sodium to potassium to help maintain optimal electrolyte balance in the body\*
- **Water-Extracted Grapeseed:** Clinically studied extract supports healthy blood flow and fights oxidative damage\*
