The SCIENCE of Kyäni Nitro Xtreme and Kyäni Nitro FX

Nitric Oxide for Enhanced Living

What It Is

- **Thiamine:** plays an important role in converting food into energy, and supporting the immune system
- **Organic Noni Fruit Concentrate:** harvested from the Morinda citrifolia tree and high in nitrates to support the body's product of Nitric Oxide
- **Chromium:** helps break down carbs and fats to boost energy and support healthy glucose levels, metabolism, and weight management
- **Zinc:** essential nutrient for growth and development, including protein and DNA synthesis, and vital for immune health
- **CoQ10:** generates cell energy and helps protect cells from oxidative damage.
