# The SCIENCE of Restore®

Restore Your Digestion

## What It Is

- Helps maintain healthy gut flora to support metabolism and the immune system Includes the following probiotic strains: *L. plantarum* *L. acidophilus* *L. rhamnosus* *B. longum infantis*\*
- **NitroBiotics:** The first and only proprietary probiotic blend that focuses on Nitric Oxide production to promote nutrient absorption, maintain healthy gut flora, minimize bloating, and support immune health\*
- **Liver and Kidney Blend:** Provides herbs that help liver and kidneys function optimally and efficiently manage the filtering process of what you eat, drink, and breathe\*
- **Plant-based Digestive Enzyme Blend:** Helps the body break down and metabolize proteins, fats, and carbs to help keep your metabolism running efficiently\*
- **Gut Health Blend:** Soothes and balances overall gut health, allowing for healthy nutrient absorption and assimilation\*
