

Kyäni Sunset is your go-to for supporting your most important organs—your brain and your heart—while also helping maintain healthy cholesterol levels, cognitive function, immune support, and healthy blood sugar levels. Featuring a proprietary blend of lipid-soluble nutrients including wild-sourced omega-3 fatty acids, tocotrienols, astaxanthin, and more, Sunset is the nightly routine that helps you wake up ready to slay your day!

## Why You'll Love It

- Supports cognitive function
- Enables a healthy inflammatory response
- Provide the most potent form of vitamin E with tocotrienols
- Helps maintain health cholesterol levels
- Supports cell membranes for cell integrity

## How It Works

- Your body can't make Omega-3 Fatty acids, yet they serve critical functions in your body. Sunset provides clean, wild-sourced Omega-3s as well as other vital nutrients to support optimal health.
- Sunset's proprietary blend of lipid-soluble nutrients that supports cognitive function and promotes healthy joints, hair, skin, and nails.
- Designed to support brain and heart health, cell integrity, and immune system effectiveness.

# The SCIENCE of Kyäni Sunset®

Targeted Nutrition for a Nightly Reset

## What It Is

- **Omega-3s:** premium, clean, and wild-sourced to support heart health, improved mood, and healthy immune response
- **Beta-Carotene:** supports immune function, vision, and healthy growth and development
- **Vitamin E Tocotrienols:** a very potent form of vitamin E - that provides amplified antioxidant power that helps neutralize free radicals, support cardiovascular and cognitive health, and more
- **Vitamin D3:** adds sunshine power to help maintain healthy bones, teeth, muscles, cellular function, cognition, and immune function
- **Astaxanthin:** helps fight the effects of oxidative stress and support a healthy immune and inflammatory response in the body

## How To Use It

Take three softgels daily with your evening meal.

| SUPPLEMENT FACTS   |                    |      |
