

# Kyäni Nitro<sup>®</sup>

Nitric Oxide for Enhanced Living

Eating a healthy, balanced diet can be challenging. What's more, we may not be getting the full nutritional value of our food because we don't fully absorb important nutrients. One effective solution to this problem is to ensure your body has what it needs to create Nitric Oxide.

Nitric oxide plays a role in many aspects of health -- everything from brain communication to inflammatory response -- but most notably, it assists in the absorption of the nutrients we eat. Kyäni Nitro FX and Nitro Xtreme contain extracts from the noni fruit, which has been proven to boost the body's production of Nitric Oxide.

## Why You'll Love It

- Supports optimal nutrient absorption.
- Promotes circulation to aid in many aspects of health including cardiovascular health.

## What it is?

- Organic noni concentrate.
- All-natural, Gluten-free, Non-GMO, Vegan.

## How it works?

- Noni concentrate: Supports production of nitric oxide.
- Zinc: promotes cellular health and a healthy inflammatory response.
- COQ10: promotes cellular health.

Vegan

Gluten Free

All natural

Non-GMO

# The SCIENCE of Kyäni Nitro

## KYÄNI NITRO FX

### NUTRITIONAL INFORMATION

Servings per Bottle: **56**

Serving Size: **1 mL (~20 drops) + 100 mL water** (when prepared as directed)

Average Quantity	Per 30 mL Serving	Per 100 mL
Energy	1.08 kJ	1.09 kJ
Protein	0.078 mg	0.077 mg
Fat, total	0 g	0 g
- Saturated	0 g	0 g
Carbohydrate	0.650 mg	0.644 mg
- Sugars	0.046 mg	0.046 mg
Sodium	0.228 mg	0.226 mg

**INGREDIENTS:** Water, Noni (9.90%), Xylitol, Spearmint Flavour, Citric Acid, Potassium Sorbate, Sodium Benzoate.

All quantities above are averages.

## KYÄNI NITRO XTREME

### NUTRITIONAL INFORMATION

Servings per Bottle: **56**

Serving Size: **1 mL (~20 drops) + 100 mL water** (when prepared as directed)

Average Quantity	Per 30 mL Serving	Per 100 mL
Energy	5.30 kJ	5.36 kJ
Protein	0.107 mg	0.108 mg
Fat, total	0 g	0 g
- Saturated	0 g	0 g
Carbohydrate	3.07 mg	3.10 mg
- Sugars	0.758 mg	0.766 mg
Sodium	0.230 mg	0.232 mg
Ubiquinone (Coenzyme Q10)	0.002 mg	0.003 mg

**INGREDIENTS:** Vegetable glycerin, Water, Magnesium chloride, Fructose, Noni, Colour (Caramel I-plain), Acidity regulator (Citric Acid), Flavours, (Spearmint), Zinc sulfate, Vitamins (Niacin, Thiamine), Ubiquinone (Coenzyme Q10), Chromium chloride.

All quantities above are averages.

## How to use it

Take 1mL (20 drops) of Nitro in the morning before taking Sunrise, then again four to five hours later, and then before taking Kyäni Sunset in the evening.

## Key ingredients:

### Kyäni Nitro FX

Noni concentrate Supports production of nitric oxide.

### Kyäni Nitro Xtreme

Zinc Promotes cellular health and a healthy inflammatory response.

Noni concentrate Supports production of nitric oxide.

COQ10 Promotes cellular health.
