# The SCIENCE of ORIGIN

Your body is miraculous — Every part working harmoniously to make you who you are. Such an extraordinary natural system needs the support of the best nutrients the earth has to offer. But today's modern diet is filled with processed foods, compounds, and preservatives, all of which are major contributors to many of today's health crises.

So where can you turn for the powerful support that your body needs? The same source for all miraculous life is also the origin of great nutrition: nature.

**Kyāni Origin** features naturally derived macronutrients, including plant-based proteins, healthy fats, and carbohydrates, necessary for tissue building and repair, helping you recover from workouts, and live the active life you love! Even more, Origin provides the vital nutrients your body needs to experience the Nitro Effect™.

This Nitro Effect™ helps your body make the most of Origin's plant-based macronutrients.
