The SCIENCE of Kyäni Sunrise

Living a healthy and vibrant life boils down to one specific and very important balancing act—the balance between oxidative stress and antioxidant defenses. While we can't completely eliminate all oxidative stress, we can do things to reduce its burden on our bodies, one of the most effective being consuming diets rich in antioxidants.

Kyäni Sunrise combines the nutritional power of 22 antioxidant superfoods, including the Wild Alaskan Blueberry, carefully selected for the concentrated natural vitamins and minerals they provide. The result is a nutritious and delicious blend of vitamins and minerals in a delicious daily serving designed to support balanced living.

How to use it

Take Kyäni Sunrise in the morning. The 22 superfoods, including the Wild Alaskan Blueberry, make a delicious start to the day, and pairing it with Kyäni Nitro ensures optimal absorption.
