Minimum Monthly Reward

Minimum Monthly Reward Calculation

Minimum Monthly Reward (hereinafter the “MMR”) establishes a minimum threshold amount a Participant can earn in a commissionable month. Once qualified, the MMR bonus will be difference between the Participant’s total monthly earnings and the MMR at the qualified rank whichever is higher.

This promotion will not allow a Participant to earn less than the MMR threshold in any qualifying month.

MMR for each Qualified Rank are defined in Table 1.

The total monthly earning is calculated as the sum of the weekly, month-end, and yearly commissions in a single commissionable month.

Due to the overlapping weeks in the weekly commissions, the entire week will be grouped bases on the start date of the qualified week. For instance, weekly commissions for the week of Monday, September 28, 2020–Sunday, October 4, 2020 will be grouped and calculated with the Participant’s September earnings.

Participant may only qualify for one MMR bonus per commissionable month.

Monthly Requirements

A Participant must complete three requirements each month to earn a MMR bonus:

- Qualified Paid Rank
- HIT and HOLD*
- 30% Rule

*As of May 1st 2020, HIT and HOLD requirements are changed to remove the HOLD month requirement.

Qualified Rank

Qualified Rank is defined as the Paid Rank you must achieve to participate in the promotion. If a Participant is paid below their Qualified Rank, they will not be eligible to receive the MMR for that month.

HIT and HOLD

As of May 1st 2020, HIT and HOLD requirements are changed. Participant will earn the MMR bonus starting on the HIT month at the Qualified Rank.

When Participant achieves the Qualified Paid Rank on the HIT month, this event initiates the first MMR bonus to be paid for that Qualified Rank.

Participant may earn MMR bonus at the HIT month’s Qualified Rank for up to six (6) consecutive months if MMR requirements are met at for each of the following monthly commission periods.

If Participant does not meet MMR requirements for a commissionable month during the six (6) consecutive months beginning on the HIT month, MMR bonus for the unqualified month will be forfeited. For example, if the HIT month is March, 2020, the qualifier will be eligible for MMR payments in March, April, May, June, July and August. If they do not meet the MMR requirements during any of these months, the MMR payment will be forfeited and that month will still count as one of the 6 months of MMR payments.

Participant shall not earn more than six (6) MMR bonuses at each Qualified Rank.

In order to get all 6 months of MMR payments, the participant would want to HIT the desired rank 6 months before the conclusion of the program.

30% Rule

Participant must have at least 30% of the Qualified Rank's Organizational Volume (OV) outside of their largest leg.

The Organizational Volume outside of the largest leg is defined as the sum of all OV excluding the largest leg as well as their Personal Volume (PV).

Organization Volume (OV), Paid Rank, and Personal Volume (PV) are defined in the AMARE compensation plan.

FAQs:

1. Q: How can I participate in this promotion?

A: All new and existing Participants participate! Advance to the ranks of Bronze and above and start to earn these additional bonuses.

MINIMUM MONTHLY REWARD (MMR) BONUS FAQs:

1. Q: What if I've only hit my Highest Rank for one month? Am I eligible to qualify for MMR Bonuses at my Highest Rank or must I advance in rank?

A: If you've only hit your Highest Rank one month during your Amare career, you can still participate in this promotion! To qualify, you must hit that rank again during the 6 month period — and meet the 30% Rule (VOLL) to receive the bonuses at that rank.

2. Q: What is the 30% Rule?

A: The MMR promotion will enforce a 30% Rule to qualify for the bonus. The 30% Rule requires that you have at least 30% of the qualifying Organizational Volume (OV) outside of your largest leg. The qualifying OV is based on the Paid Rank required OV and not your personal OV. The volume outside of the largest leg is the sum of all OV excluding the largest leg as well as their Personal Volume (PV).

For example, John is currently Bronze. In order to rank advance to Silver, he needs 5,000 in OV based on the Compensation Plan requirements. In order to participate in 2020 promotion, he must have at least 30% of his required OV in volume outside of his largest leg (referred to as the 30% Rule). In other words, he needs to have at least 1,500 in volume from his other legs.
