VOCABULARY & DEFINITIONS

Understanding a compensation plan starts with understanding the vocabulary used within it.

Acronym	Term	Definition
BP	Brand Partner	A person who enrolls with Amare and wants to share the products with other people. BP's are considered independent business owners. BP's have the opportunity to qualify to earn commissions and other rewards based on their efforts.* * Brand Partner meaning should be interpreted as described in the Amare Policies and Procedures.
C	Customer	A person who purchases Amare products without enrolling as a BP. Customers are not allowed to sponsor (build a downline) and do not receive commissions.
PV	Personal Volume	The total volume of a single BP from orders placed personally and by their personally enrolled Customers.
PTV	Personal Team Volume	Your PV plus the PV of your personally enrolled Customers and BP's. PTV is used for your Me and Three Bonus and Focus On Five Bonus qualification purposes only.
PCV	Personal Customer Volume	The total volume purchased by your personally enrolled customers. The volume from personal orders does not qualify toward this volume requirement.
OV	Organizational Volume	The combined total of all of the PV from a BP and their entire downline.
CV	Commissionable Volume	The sales volume on which commissions to BP's are paid. Each product as a CV value that is not always equal to the Euro amount spent.
	Commission Active	A BP must maintain at least 100 PV to be considered active, and to earn commissions for that month. Otherwise they are considered inactive.
	Enroller*	When you sign someone up under you, you automatically become their enroller.
	Qualified	A BP is considered qualified if they meet the paid-as rank requirements for a particular Bonus or title.
	Eligible	A BP is considered eligible to receive a commission if they meet the career or rank title requirements for a particular payout.
	Rank	Your monthly rank is determined by your ability to achieve specific volume and structure requirements. Rank determines commission payouts.
	Sponsor*	The BP directly above another BP in the organization.*
	Leg	A new leg is added to your organization when you personally enroll a new BP. A BP has as many legs as they have first level BP's.
