VOCABULARY & DEFINITIONS

Understanding a compensation plan starts with understanding the vocabulary used within it.

Acronym	Term	Definition
BP	Brand Partner	A person who enrolls with a membership and wants to share the products with other people. As independent business owners, BP's may also qualify to earn commissions and other rewards based on their efforts.
C	Customer	A person who purchases Amare products without enrolling as a BP. Customers are not allowed to sponsor (build a downline) and do not receive commissions.
PV	Personal Volume	The total volume of a single BP from orders placed personally and by their personally enrolled Customers.
PCV	Personal Customer Volume	The total volume purchased by your personally enrolled customers. The volume from personal orders does not qualify toward this volume requirement.
PTV	Personal Team Volume	Your PV plus the PV of your personally enrolled Customers and BP's. PTV is used for your Me and Three Bonus qualification purposes only.
OV	Organisational Volume	The combined total of all of the PV from a BP and their entire downline.
VOLL	Volume Outside Largest Leg	The Organisational Volume a Brand Partner has outside of their largest leg based on the Placement Downline Tree.
CV	Commissionable Volume	The sales volume on which commissions to BP's are paid. Each product has a CV value that is not always equal to the dollar amount spent.
QV	Qualifying Volume	Qualifying Volume (QV) is a value assigned to the order used to determine the qualification status for bonuses, commissions and ranks.
	Commission Active	A BP must maintain at least 100 PV to be considered active, and to earn commissions for that month. Otherwise they are considered inactive.
	Introducing Sponsor*	When you introduce or enroll a Customer or Brand Partner to Amare Global you become their Introducing Sponsor.
	Placement Sponsor*	The BP directly above another BP in the organisation.*
	Rank	Your monthly rank is determined by your ability to achieve specific volume and structure requirements. Rank determines commission payouts.
	Leg	A new leg is added to your organisation when you personally enroll a new BP. A BP has as many legs as they have first level BP's.

To achieve a new rank advancement, the Brand Partner must meet the requirements of the new rank set forth in a monthly bonus period. Paid As Rank for every Brand Partner are reset at the beginning of each monthly bonus period. Career Ranks are saved and identifies the highest rank the Brand Partner has ever achieved. Achieving higher ranks corresponds to gaining access to additional bonuses and commissions. For recognition purposes, a Brand Partner's Recognition Rank is represented as the highest Paid Rank they achieved within a 12-month period.

PV: Minimum PV created during the monthly bonus period.

OV: Minimum OV created during the monthly bonus period.

Volume Outside Largest Leg: Minimum OV outside of your Largest Leg during the bonus period. This is based on the Placement Downline Tree.

Leg Requirements: The number of Legs in a Brand Partner's organization, where the leg has a minimum Paid Rank or above during the monthly bonus period. This is based on the Enrollment Downline Tree. For example, for a Brand Partner to be paid as a Silver, they must have 2 Brand Builders legs in their Enrollment Downline Tree.

Bonus Qualification: In order to be paid any commissions for a qualifying month, a Brand Partner must have at least 100 PV in the qualifying month.

IV. First Order Bonus

The First Order Bonus is paid on the first commissionable volume order place by a personally introduced Brand Partner or Customer. This bonus is paid weekly and monthly to the first, second, and third level in the Enrollment Downline Tree based on the table below:

Level	Percent Commission
– Level 1	20%
– Level 2	10%
– Level 3	5%

The immediate enroller of the Brand Partner is paid Level 1 at 20%, then the enroller of the immediate enroller is paid Level 2 at 10%, and finally the third enroller is paid Level 3 at 5%. To earn the First Order Bonus during the weekly bonus period, the Brand Partner must be Commission Active with at least 100 PV for the current or prior month.

If a Brand Partner is inactive for the weekly bonus period for which they could have qualified for a First Order bonus, they will not be paid the weekly bonus. However, should the Brand Partner become Active for the monthly bonus period, they will receive a “True Up” which will pay the Brand Partner all unpaid First Order bonuses that occurred within the qualifying month. This is paid in the First Order Bonus (Monthly).

Unilevel Bonus is not paid on First Orders. Only one order per account may generate a First Order Bonus. Orders from Customer upgrading to Brand Partners do not qualify for this bonus. The First Order Bonus is paid on Commissionable Volume.

V. Me and Three Bonus

The Me and Three Bonus is paid monthly and is built around the primary method of operation – Generate sales from three Brand Partners or Customers and then teach each of them to do the same with three more! Brand Partners must be Commission Active and have 600 PTV for the month to earn this bonus. The Enrollment Downline Tree is used for this bonus.

Me and Three Personal Bonus: A Brand Partner must be Commission Active, have 600 PTV and personally introduce three (3) new Customers or Brand Partners with an order that contains at least 100 SSV and earn \$145 NZD. This is also known as the Me and Three Personal Enrollment Bonus. If a Brand Partner does not personally introduce three (3) new Customers or Brand Partners, the Brand Partner may maintain three (3) Customers or Brand Partners they previously introduced with an order that contains at least 100 SSV and earn \$72.50 NZD instead. This is only known as the Me and Three Personal Retention Bonus. The maximum for this bonus is \$145 NZD.

Me and Three Team Bonus: In addition to being Commission Active and having 600 PTV, a Brand Partner must also maintain at least three (3) personally enrolled Brand Partners who earned their own Me & Three Personal Bonus to earn the Me and Three Team Bonus of \$362.50 NZD. The qualified downline must earn at least the Me and Three Personal Retention Bonus (\$72.50 NZD) to earn this bonus.

VI. Focus On Five Bonus

Focus On Five Bonus: Personally introduce a total of five (5) new Customers or new Brand Partners who each places an initial order of at least 100 SSV during their enrollment month and earn \$435 NZD. Qualifying order must be placed at the time of enrollment. Orders cannot be combined in any way. One-time Purchase Orders do not qualify. Enrollees must have a unique email, shipping address and billing information to qualify someone for this bonus. Order from Customer who upgrade to Amare Brand Partners do not count toward this bonus qualification. Accounts placed by Amare in the Brand Partner’s organisation do not count towards the bonus qualification.

VII. Customer Bonus:

The Customer Bonus is a primary way you can earn commissions on the purchase of products from your personally introduced Customers. Each month the volume from the purchases of your personally enrolled Customers will determine how much you will be paid between 5%-33% in Customer Bonus based on the table below. A Brand Partner's PV from their personal orders is excluded from the Personal Customer Volume (PCV) and the Customer Bonus calculation. Customer Bonus can only be paid if a Brand Partner is Commission Active. Orders are paid based on the Commissionable Volume for the order.

Customer Bonus For Unilevel Orders	Personal Customer Volume	Unilevel Bonus	Customer Bonus	Total Payout
	1 - 499	5%		5%
	500 - 999	5%	5%	10%
	1,000 - 1,999	5%	10%	15%
	2,000 - 2,999	5%	15%	20%

	7,000 - 8,999	5%	26%	31%
	9,000+	5%	33%	38%

First Orders are paid between 5%-18% in Customer Bonus based on a different volume tier schedule vs non-First Orders as shown in the table below:

Customer Bonus For First Order Bonus Orders	Personal Customer Volume	First Order Bonus	Customer Bonus	Total Payout

VIII. Monthly Minimum Reward Bonus

Subscribe & Save Reward Points To earn the Subscribe & Save Reward Points (SSR Points), a Brand Partner must personally purchase an order containing 100 SSV in addition to Qualifying for the Monthly Minimum Reward Bonus. SSV purchased by personally introduced Customers does not count toward this qualification. SSR points will be issued after the close of the monthly bonus period and will be available to be redeemed the following calendar month. For example, SSR points earned in September will be issued and pending on October 15 and can be redeemed on November 1.

Minimum Monthly Reward (MMR) Minimum Monthly Reward (MMR) establishes a minimum threshold amount a Brand Partner can earn in a commissionable month for up to six (6) monthly bonus periods. If qualified, the MMR bonus will be calculated as the difference between the Brand Partner's total monthly earnings and the MMR threshold at the qualified rank whichever is higher. For instance, if a Brand Partner qualifies for MMR as a Silver in September and earns \$800 NZD in commissions during that month, the MMR Bonus will pay an additional \$650 NZD to reach the threshold of \$1,450 NZD for Silver. If a qualified Silver earned \$1,500 NZD in commission, no additional MMR amount will be paid since the amount earned by the Brand Partner exceeded the threshold of \$1,450 NZD.

The total monthly earnings are calculated as the sum of the weekly, month-end, and yearly commissions in a single commissionable month. Due to the overlapping weeks in the weekly commissions, the entire week will be grouped bases on the start date of the qualified week. For instance, weekly commissions for the week of Monday, 29 May 2023–Sunday, 4 June 2023, will be grouped and calculated with the Brand Partner's May earnings. A Brand Partner must be Commission Active to be paid this bonus. A Brand Partner must still meet at least 30% of the Volume Outside Largest Leg based on the required OV to participate.

MMR will begin on the first month of the qualifying Rank Advancement and will set the minimum threshold for the next six (6) consecutive bonus periods. Brand Partners must meet the rank's qualification requirements for the monthly bonus period in order to receive an MMR bonus. Monthly bonus periods where an MMR is not used or applied will not carry over to the next period and will expire. Rank Advancements are calculated using the Amare's Career Rank.

Rank	Rewards
Brand Builder	75 SSR Points
Bronze	200 SSR Points
Silver	200 SSR Points and \$1,450 NZD Minimum Monthly Reward
Gold	200 SSR Points and \$2,900 NZD Minimum Monthly Reward
Platinum	200 SSR Points and \$3,625 NZD Minimum Monthly Reward

Dual Compression System

In order to help maximize the Unilevel Bonus and allow Brand Partners to be paid on levels beyond the levels defined by their Paid Rank, Compression is used to accomplish this goal. Compression occurs when a Brand Partner is inactive, causing the Unilevel Bonus to roll up and identify the next Active Brand Partner on the higher level. Amare's Dual Compression System combines Standard Compression and Dynamic Compression to not only compresses non-qualified, inactive distributors but also compresses people who don't qualify for a specific level of commission payout allowing you to be paid deeper in your organization. Ten (10) Levels is the maximum number of levels someone can be paid in their organization.

Standard Compression: When someone is not qualified (100 PV) to receive payment the downline compresses before paying out.

Dynamic Compression: Ensures that all 35% of the Unilevel Volume is paid out to the upline based on their qualified paid rank to receive payments on each level where volume is present.

XI. Mentor, Leader, & Global Ambassador Bonus Pools

In true partnership, Amare Global believes in sharing the success of the company revenues with those Mentors, Leaders and Global Ambassadors who truly share in our mission. Bonus Pools collectively represent eight (8%) of Amare Global's commissionable volume each month. The Mentor Pool is paid 2% of company CV, the Leader Pool is paid 2% of company CV and the Global Ambassador Pool is paid 4% of company CV. Each pool will have a different share value associated to the shares of that pool. The pool's share value is determined by multiplying Amare Global's commissionable volume each month by the percentage assigned to the pool and then dividing by the total shares generated for the month for that pool. Shares do not accumulate from month to month and are reset for each monthly bonus period. The minimum share value may also be set by Amare to ensure stability of the Bonus Pool share prices.

XII. Go Forward Infinity Bonus

Amare Global's Infinity Bonuses are innovative and continue to fuel the purpose and drive of our most successful Brand Partners. When a Brand Partner reaches the rank of Diamond, they begin to earn a 1% bonus from the commissionable volume on all new legs and the organizations that start from those legs from the date the rank is achieved, paid to unlimited depth!

The Diamond code is assigned to every account and used to identify which Diamond Brand Partner is coded to them for the Go Forward Infinity Bonus. The assignment is determined by two factors:

- If the Enroller is a Diamond or above, assign the new Brand Partner or Customer the Diamond Code that represents the Enroller.
- If the Enroller is not a Diamond or above, assign the new Brand Partner or Customer the same Diamond Code that is assigned to the Enroller.

Brand Partners that achieve the Diamond or above ranks during the bonus period will have all new Brand Partners or Customers that they enroll in the next month coded to them accordingly. For example, if Bob Smith achieved the rank of Diamond for September, all new personally enrolled Brand Partners or Customers in October and beyond will be coded to Bob Smith.

Once a Brand Partner reaches the Diamond Ranks, new Brand Partners and Customers enrolled in the downline will be coded to them regardless of the Brand Partner maintaining their Paid As rank of Diamond and above.

Once a Brand Partner or Customer is coded, the code will not be changed. Amare Global maintains sole discretion to make any modifications deemed necessary to a Brand Partner or Customer's code.

XIII. Additional Bonus, Compensation, Commissions, Incentives or Rewards Disclaimer

Fast Start Bonuses refers to a combination of bonuses that are paid on the Commissionable Volume when a Brand Partner enrolls 5 new Customers or Brand Partners who purchase at least 100 in SSV during the same qualifying month. A Brand Partner may earn up to \$680 NZD in the following bonuses:

- **First Order Bonus** – This bonus pays 20% off the first Commissionable Volume order when you enroll a Customer or Brand Partner. Assuming they each purchase 100 CV each that would be a total of \$100 NZD paid in the First Order Bonus. Orders with reduced Commissionable Volume due to a promotion or sale may result in a lesser bonus amount for this portion.
- **Me and Three Personal Bonus** – When a Brand Partner enrolls three (3) Customers or Brand Partners with at least one 100 SSV and have 100 PV and 600 PTV, the qualified Brand Partner will earn \$145 NZD Me and Three Personal Enrollment Bonus.
- **Focus on Five Bonus** – In addition, the Brand Partner will receive the \$435 NZD Focus on Five Bonus for enrolling five (5) new Customers and Brand Partners with an initial order of 100 SSV.

Amare continues to create innovative and engaging programs that are not listed within this Compensation Plan to reward the success of all Brand Partners. Any programs not expressly described may contain separate Terms and Conditions that augment these Compensation Plan Terms and Conditions.

Any volume that is generated within different plan requirements will first pay according to the comp plan where the volume was generated and then to compensation plans in the markets where upline brand partners reside. If the difference in comp plans causes the volume to pay out differently in the country where the volume originated, the Company will adjust the volume and or payouts in upline markets to prevent the same volume from paying out in more than one overlapping bonus.
