

AUTHORIZED USER FORM

Please complete the provided fields below to authorize another user to make the listed changes and updates to your account. This form does not designate the listed authorized user(s) as account co-applicants.

Listed authorized user(s) will have access to make the following changes and requests*:

- Place a new order or modify existing orders
- Request a Return Merchandise Authorization (RMA)
- Cancel orders
- Opt in or out of notifications

*This does not include adding the authorized user's own credit card on the account.

For security purposes, authorized user(s) **must** still verify the account and provide the account holder's date of birth when calling to make changes or place orders.
