Trade show, Conventions, Public Events

Wellness Partners wishing to rent a booth, set up an exhibit at a trade show, convention, or any otherwise public event in which Amare Global products and services will be on display, or promoted to the public must submit an Event Submission Form and receive Amare Global's written approval prior to the event. To obtain approval to obtain a booth or participate in the event, Amare Global must receive Event Submission Form at least four weeks prior to the event and no earlier than twelve weeks prior to the event.

Amare Global reserves the right to allow only one booth, or Wellness Partner to represent Amare Global products and services per show. The exclusive rights to advertise Amare Global products and services at the event will only exist for the duration identified on the Event Submission Form. Exclusive rights are granted in the sole discretion of Amare Global.

Only Amare Global products and services may be offered in the trade show booth. No other products or services may be offered that would promote any product, service, or business opportunity other than the Amare Global business in which the Wellness Partner may be involved. Only Amare Global produced marketing materials may be displayed or distributed. Only Amare Global banners shall be displayed in the booth. Wellness Partners shall not create, distribute, or display any marketing materials that have not approved by Amare Global.

Wellness Partners are prohibited from referencing Amare Global in any form of advertisement, marketing material, or promotional material that implies Amare Global is participating in the Event. Wellness Partners may only make specific reference that the Wellness Partners are attending as an independent Wellness Partner of Amare Global products which may exist on any maps or listing prepared by the event. These advertisements or promotional materials must be approved by Amare Global prior to the event.

Wellness Partners and every person who works in the booth at the event shall comply with all Policy Manual defined by this Agreement. Wellness Partners shall not make income claims, product claims, that do not align with Amare Global's code of ethics or compliance guidelines.

In addition to the other remedies provided in the Agreement, Amare Global reserves the right to deny future event participation for any policy violation at the event.

Amare Global reserves the right to refuse authorization to participate at any function that it does not deem a suitable forum for the promotion of its products and services, or the Amare Global opportunity.
