Q- How much does the Business Tools Pro Account cost?

A- The Business Tools Pro Account is available for an annual fee of \$49.95 CAD.

Q- Why do we have Business Tools instead of an enrollment fee?

A-In Canada, we are not required to charge an enrollment fee but can offer elevated business tools to support a Brand Partner in their business.

A-This is a yearly fee that does not automatically renew. Brand Partners must opt in to the Business Tools Pro Account every year.

Q- What if I decide to cancel my Business Tools Pro Account?

A-You can cancel at any time. This fee is nonrefundable and pro-rated. If you decide to opt into the Business Tools Pro Account six months after your anniversary date, you will be charged the full amount. Your year starts from the date you purchase it, not your enrollment date

Q-What if I am not a new Brand Partner, but I am an existing Brand Partner who already has access to these business tools?

A-You will get a 30-day notice in your Back Office from your enrollment anniversary date reminding you to opt in, should you want to continue to gain access to all reports and the Builder app. Your optional renewal date will be 12 months from your renewal date.

Q- What if I enroll a new Brand Partner and they decide to opt in to the Business Tools Pro Account a few months after they enroll?

A-Brand Partners can choose when they want to opt into the Business Tools Pro Account simply by clicking the "Get Pro Now" button in their Back Office. Their Business Tools will be available for 12 months from purchase date versus their enrollment date. Follow the prompts to complete your payment and activate the new features.

Q-Does the business tools fee count toward my Personal Volume or Organizational Volume?

A-No.

Q- Who do I contact if I have questions or need support?

A- If you have any questions, please reach out to our Customer Experience Team at support@amare.com or 1-888-898-8551.
