

## What It Is

- Mango Leaf, Lychee Fruit, Palm Fruit: a unique combination of 3 potent ingredients.
- Caffeine free.

# Why You'll Love It

Amare EDGE™, is the plant-based drink that helps give you the support you need to tackle your day with ease. Kind of like your secret superpower.

amare

Partner with Amare MentaBiotics<sup>™</sup> and Amare Energy+<sup>™</sup> to create our signature Amare Happy Juice<sup>™</sup>!

Delicious watermelon flavour.

## **How It Works**

- Contains Palm Fruit, a powerful antioxidant that reduces free radicals formed in the body.
- Mango Leaf (Mangifera) is traditionally used in Ayurvedic medicine as a restorative tonic to support general health and wellbeing.

## How To Use It

Mix one 3g scoop into water, a smoothie, or your favourite beverage and drink immediately. Consume a maximum of 2 scoops daily.

#### **\***amare | The Science of Amare EDGE™

# How Does Amare EDGE™ Work?

Powered by Mango Leaf, Lychee Fruit, and Palm Fruit, Amare EDGE™ is a powerful drink that helps give you the support you need to tackle your day with ease. The unique combination of 3 potent ingredients includes Mango Leaf which is traditionally used in Ayurvedic medicine as a restorative tonic to support general health and wellbeing.

#### Each 3 g Contains:

Mangifera indica (Mango) dry extract concentrate 100mg, from dry leaf 1g Litchi chinesis (Lychee) dry extract concentrate 50mg, from dry fruit 500mg Elaeis guineensis (Palm Fruit) powder 50mg from palm fruit fresh 1.65g

# What Are The Key Ingredients Known For?

Mango Leaf: is a stone fruit grown in many parts of the world, particularly in tropical areas. Mango Leaf is traditionally used in Ayurvedic medicine as a restorative tonic to support general health and wellbeing.

**Palm Fruit:** Is a premium ingredient that contains at least five unique polyphenols. It is one of nature's richest sources of natural polyphenols and sourced from the tropical Southeast of Mexico.

There is a Superhero in all of us. Amare  $EDGE^{m}$  will support you by taking on the fight and reduce free radicals formed in the body, so you can tackle your day with ease.
