

# AMARE ORIGIN™

## What It Is

Amare Origin™ is a complete, macronutrient-balanced, 100% vegan shake sourced from superior-quality plant proteins. It contains 20 grams of protein and the vital nutrients your body needs to produce Nitric Oxide—a key signaling molecule that supports circulation and promotes nutrient absorption. Enjoy a delicious and creamy shake, and fuel your body with the protein it craves to live the active life you love.\*

## Why You'll Love It

- Exclusive vegan protein blend that's creamy and delicious
- Help support strong muscles and healthy weight\*
- Keeps you satisfied between meals\*
- Promotes healthy gut flora to help maintain regularity\*
- Supports Nitric Oxide production\*

## How It Works

- Fuels the body with 20 grams of protein from seeds and legumes that contain the nutritive power of an entire plant.\*
- Sourced from premium, non-GMO, vegan proteins with no binders or fillers.\*
- Promotes healthy gut flora and keeps you satisfied between meals.\*
- Provides sustained energy and supports a healthy metabolism with healthy fats known as Medium Chain Triglycerides (MCTs)\*
- Contains all nine essential amino acids critical for metabolism, muscle growth, immune function, and nutrient absorption.\*
- Balanced macronutrients help fuel metabolism and support healthy blood sugar levels.\*

# The SCIENCE of Amare Origin™

Plant-Based Protein Powder for Your Day

## What It Is

- **Medium Chain Triglycerides (MCTs):** supports satiety, fat burning, digestion, and calorie burning to help manage weight.\*
- **Plant-Based Protein Blend:** premium protein from fava bean, pea, pumpkin seed, and sunflower seed that supports healthy weight, cholesterol levels, muscle and bone strength, and Nitric Oxide production.\*
- **Essential Amino Acids:** promotes a wide range of benefits—from cell health and nervous system support to muscle strength and immune function. Also helps regulate blood sugar and support healthy skin, teeth, and bones.\*
- **Pea Protein:** featuring an abundance of essential amino acids, supports a healthy inflammatory response and helps maintain healthy weight and cholesterol levels.\*
- **Pumpkin Seed:** rich in proteins, antioxidants, and trace elements that help maintain healthy cholesterol levels and support Nitric Oxide production.\*
