

Amare Triangle of Health™

What It Is

The Amare Triangle of Health™ Pack provides unmatched nutrition to support your overall health around the clock. Featuring our best-selling synergistic trio: Amare Sunrise™, Amare Sunset™, and Amare Nitro Xtreme™ or Amare Nitro FX®.*

How It Works

Amare Sunrise supports the body's ability to produce antioxidant enzymes for cellular nourishment from the inside out.*

Amare Sunset supports cellular repair and helps maintain healthy cholesterol levels, cognitive function, immune support, and healthy blood sugar levels.*

Amare Nitro FX and Amare Nitro Xtreme enhance performance and provide optimized nutrient delivery when taken prior to Amare Sunset and Amare Sunrise.*

Why You'll Love It

- Provides antioxidant support to help fight oxidative stress.*
- Supports brain and heart health and the immune system.*
- Supports a healthy inflammatory response.*
- Helps maintain healthy cholesterol levels.*
- Promotes Nitric Oxide production in your body for optimized nutrient delivery.*

How To Use It

- Enjoy one pouch of Amare Sunrise every morning with breakfast. For a healthy twist to your routine, try mixing Amare Sunrise with your smoothie, juice, or water.
- Use 1 ml of Amare Nitro FX or Amare Nitro Xtreme up to three times daily. For maximum absorption, place under the tongue for 20 seconds.
- Take three Amare Sunset soft gels daily with your evening meal.
