

AMARE GBX FT™

What It Is

Amare GBX FT is a source of probiotics that promote favourable gut flora and help to support gastrointestinal health. Plus, GBX FT provides antioxidants that helps to protect cells against the oxidative damage caused by free radicals.

How It Works

GBX FT is a combination probiotic (L. plantarum DR7), phytobiotic (organic Orange Peel extract) and postbiotic (B. lactis BPL1) that work to support gastrointestinal health.

Why You'll Love It

- A source of probiotics that could promote favourable gut flora.
