# GBX SYNC™

## What It Is

Amare GBX Sync is a natural health product formulated to support immune function and maintain good health.

## How It Works

Amare GBX Sync contains a highly specialized blend of yeast beta-glucans (shown to support good health) and mushrooms high in polyphenols (proven to help support immune function).

## Why You'll Love It

- Helps with immune function.
- Helps to increase vigor in those under physical or mental stress.
- Helps in connective tissue formation.
- Helps to maintain the body's ability to metabolize nutrients.

## How To Use It

Adults 18 years and over, take 2 capsules in both the morning and evening with a cup of water. Take with food, a few hours before or after taking other medications or natural health products. Consult a health care practitioner for use beyond 12 weeks. Use for at least 2 weeks to see beneficial effects.
