

SCALP TYPE: **ALL**
HAIR TYPE: **FINE OR THINNING**

Densifying Serum For Thinning Hair

Thicker, Fuller-Looking Hair in 90 Days*

This powerhouse scalp serum is lightweight, non-greasy + loaded with Rootbiomic Ferment™, Densifying Peptides + Stem Cells from Turmeric to reduce signs of shedding and hair fallout due to breakage + thinning at the scalp, for thicker, fuller-looking hair in as few as 90 days*.

BENEFITS

- Reduces hair fallout + shedding due to breakage up to 85%**
- Minimizes signs of thinning at the scalp
- Feeds nutrition to roots, scalp + hair for thicker, fuller, healthier-looking hair
- Lightweight, non-oily + non-greasy
- Formulated to optimize each phase of the hair cycle

WHY YOU NEED IT

- You see thinning at your hair line or part line due to stress, or environmental factors
- You feel that your hair line looks thin when doing a slicked-back style
- You are concerned about the amount of hair shedding due to breakage in the shower
- You are concerned with breakage from styling and using heat

KEY INGREDIENTS

Rootbiomic Ferment™ Nutrient-rich superbrew promotes anchored roots, balanced scalp + strong protected hair for complete hair wellness

Densifying Peptides Visibly increase hair density, strength + thickness

Stem Cells From Turmeric Extract Helps promote fuller-looking hair

HAIR CONCERNS

- Thinning hair
- Thinning part line or hair line
- Damage
- Hair breakage

HOW TO USE

1. Apply once daily to dry, damp or wet hair (hair doesn't have to be freshly washed)
2. Distribute evenly throughout areas of concern like the crown, hair line + part line
3. Massage thorough
4. Do not rinse

Results are rooted in consistency, so serum needs to be used daily for best results

*Based on an expert grading evaluation on 34 panelists after use of the Densify Shampoo, Conditioner and Serum.
**Due to breakage from dry comb test after use of the Densify Shampoo, Conditioner, and Serum for 120 days.
