

GBX IMMUNITY™

With over 70% of the immune system residing in the gut, an empowered approach to immunity starts through the gut-brain axis with GBX Immunity.*

This innovative blend features functional mushrooms, Beta-Glucans, prebiotics, and a unique strain of probiotics exclusive to Amare that target immunity at its source.*

A welcome addition to boost your Amare Happy Juice® and wellness routine in any season, GBX Immunity strengthens the gut barrier and primes your immune system to support your body's response and resilience to stressors.*

WHAT IT IS

Functional Mushrooms:

An organic prebiotic blend of the top three mushrooms for immunity—Reishi, Maitake, and Oyster*

Beta-Glucans:

Scientifically studied high purity fibers (1,3-Beta-Glucans) that act as a wakeup call for the immune system, priming it to defend against potential immune stressors*

Probiotics:

A next-generation strain of probiotics (Lp815™) exclusive to Amare, that delivers a prolonged release of GABA for a healthy stress response*

Prebiotics:

Including upcycled Grape Pomace which promotes a diverse microbiome for optimized intestinal health and function*

GBX IMMUNITY OPTIMIZES YOUR BODY'S
NATURAL DEFENSES BY NOURISHING THE
GUT-BRAIN AXIS.*

WHY YOU'LL LOVE IT:

- Optimizes gut barrier function and its signaling properties*
- Supports a healthy stress response*
- Helps balance and prime the microbiome for immune support*
- Supports the body's immune response to maintain overall health and wellness*

How to use it:

Mix one stick pack of GBX Immunity into your Amare Happy Juice® or beverage of choice daily for **immune support all year round.***

What is the gut-brain-immune connection?

Your gut is a key player in your overall wellness and is closely linked to both your brain and immune system. Amazingly, **over 70%** of your immune system resides in your gut!

Having a diverse and healthy gut microbiome is crucial for **maintaining a healthy immune system** and supporting overall health. Your gut helps how your body responds to stressors, helping to support and prime your immune system.*

powering wellness
one mushroom at a time

THE SCIENCE OF GBX IMMUNITY™

Lactiplantibacillus Plantarum 815 (Lp815™)

A next-generation probiotic that delivers a prolonged release of GABA to provide stress support and a sense of calm consistently throughout the day and night.*

Prebiotic Microbiome Proprietary Blend

- **Wellvine™ (Grape Pomace):** A flavor enhancer with smart prebiotic fiber that promotes a diverse gut microbiota composition resulting in optimized intestinal health and function.*
- **IsoFiber®:** A combination of naturally occurring prebiotic plant fibers that promote a diverse, thriving microbiome.*

Gut Immunity Proprietary Blend

- **BGF-Immune®:** A scientifically studied immune support ingredient containing Beta-Glucans that supports healthy immune function and enhances the body's immune response to maintain overall health and wellness.*
- **TriCelium™:** A new and innovative organic-certified prebiotic containing a blend of the top three functional mushrooms for immunity (Reishi, Maitake, and Oyster) that supports both immune and digestive health.*
- **Butyragen®:** Helps support the body's ability to generate butyrate (which supports gut barrier function) and reduce oxidative stress.*
