all-natural  
mood support\*

The key ingredients in Mood+ have multiple scientific studies that show significant benefits for mood support such as relief from anxious feelings, sadness, restlessness, and overall stress relief.\*

Going through life feeling anxious, sad, tense or just "off" can be emotionally and physically exhausting. Most of the products that claim to solve these problems tend to only address the symptoms of the issue and leave you feeling numb, dazed, or completely "out of it".

Mood+ is an advanced, all-natural mood support product that addresses feelings of anxiousness, sadness, and restlessness. This product contains both Mood Elevating and Tension Reducing Proprietary Blends that are formulated with patented, plant-based ingredients to help reduce occasional feelings of depression, anxiety, tension, nervousness, and sleeplessness.\*

Mood+ contains multiple patented ingredients with over 20 scientific studies. Amongst these studies, each key ingredient has been shown to enhance or improve mood and cognitive functions. This state-of-the-art formulation is unlike any other product, and the best part is that the ingredients are all-natural.\*

Get yourself back to feeling joyful and motivated with Amare's all-natural product – Mood+, because it's more than just your ordinary mood product, it's a revolutionary combination of powerful and clinically validated natural ingredients.\*

- 1 Enhances feelings of well-being and supports a healthy, positive mood\*
